

SIMPLIFY YOUR COMFORT

The *KwikComfort*® *Simplicity*™ Program is the flexible heating and cooling plan for your flexible lifestyle. Designed for your peace of mind, *Simplicity* makes it easy to stay comfortable with a plan that won't break your budget with unexpected costs and gives you ownership after 10 years.

INCREASE YOUR COMFORT AND YOUR SAVINGS.

Rheem *KwikComfort Simplicity* offers options that fit every budget, giving you the flexibility to choose the best system for your needs. It's an easy way to get more than you typically might be able to afford, because you pay \$0 up front. You can get a standard system for one low monthly price, or pay just a little bit more to upgrade to a high-efficiency and/or smart-home-friendly system designed to save you energy costs month after month.

JUST SIGN UP, THEN SIT BACK AND RELAX.

With *Simplicity*, maintaining your HVAC system is effortless and worry-free. With all-inclusive features like ongoing maintenance, repairs and even replacements, you'll enjoy uninterrupted comfort for the next 10 years. No unexpected expenses means you can sit back and relax, comfortable in the knowledge that your system—and your savings—are protected by the best.

ENJOY COMFORT THAT'S ALWAYS WITHIN REACH.

Simplicity makes it easier to stay comfortable. It delivers convenience you can count on. From our simple and quick approval process to annual maintenance check-ups and replacement filters, we deliver the convenience of guaranteed year-round comfort.

We make it easy to find the right financial solution for you: *KwikComfort Simplicity* is just one of several flexible financing options offered by Rheem.

BY RELYING ON SIMPLICITY, YOU ENJOY:

- ✓ No upfront costs, just low monthly payments
- ✓ Annual maintenance
- ✓ Peace of mind – *Simplicity* is 100% Rheem-backed
- ✓ Easy approval process
- ✓ No-cost repairs
- ✓ Replacement filters
- ✓ 10-Year Parts & Labor Limited Warranty
- ✓ Ownership after 10 years

HOW IT WORKS

ONCE YOU CONTACT US, THE PROCESS IS SIMPLE.

1. Choose your heating and cooling system

2. Set up your monthly payment with your contractor

3. System installation takes place

4. You're billed your low monthly payment

5. Replacement filters are supplied to you

6. Annual maintenance is performed

7. If anything goes wrong, your system is repaired or replaced free of charge

8. After 10 years, you own it.
